

West Virginia Junior Nursing Academy

ANNOUNCEMENT

Attention all 7th and 8th grade students who are interested in nursing and motivated to learn more about a nursing career!

Attend the West Virginia Junior Nursing Academy

Where you can learn what nursing is all about!

Dates _____ to _____ from 8am-4:30pm daily

Location: _____

Sponsored by: _____

During the 3 day Academy, selected students will join professional nurses as they care for patients at Name of Facility. Students will get a firsthand, behind the scenes look at the multi-faceted world of nursing. As they rotate through different areas of Name of Facility they will be shadowing RN's and observing their responsibilities, providing direct service and touring key departments. Experienced RNs and counselors will help students begin to plan for a nursing career as they learn about the education necessary for becoming a nurse. Activities also include sessions for learning basic nursing skills, first aid and CPR certification training.

**Students, see your counselor or teacher now to obtain an application.
Space is limited so act now!**

Application Deadline: Date

Students must have a current overall grade average of at least 80% to apply.

Parental consent is required for participation.
