technical programs lead to HIGH WAGES AND HIGH-DEMAND CAREERS

90% of the fastest growing jobs require education beyond high school.

The fastest growing and best paying jobs require some college.

Individuals need a solid academic foundation to meet increasing skill demands of 21st century jobs. Jobs requiring associate degrees are expected to grow the fastest (32%), and bachelor's degree next (24%). Technical programs through community and technical colleges may require only one year to complete, while others require two years.
