*Productive Workforce.  
Profitable Company.*

## Productive Workforce. Profitable Company.

A well-trained and skilled workforce can help your company maintain its competitive edge and increase profitability.

But first, you need a great training partner.

### Employer Partnership Programs

Through its Employer Partnership Programs, West Virginia's community and technical colleges can provide the training you need while leveraging your company's training dollars to maximize worker productivity.

In 2011, West Virginia's ten community and technical colleges delivered training to more than 600 employers across the State.

Whether it's customized training, skill enhancements, certificate or associate degree programs, West Virginia's community and technical colleges are prepared to deliver.

### Employer Partnership Programs

#### Learn and Earn

*Provides students in high-demand applied technology programs with paid cooperative (co-op) educational experiences*

- 50/50 employer & CTC matching contribution
- Co-op experience must pay no less than \$10/hr
- Employer gains a highly-qualified employee and a future skilled labor pool
- Students earn valuable on-the-job training and a living wage while attending school

#### Tech Scholars Program

*Provides scholarships to students who enroll in high-demand, applied technology programs*

- 50/50 employer & CTC matching contribution
- Must lead to a Certificate of Applied Science (CAS) or Associate of Applied Science (AAS)
- Employer benefits by investing in a skilled workforce
- Students gain much-needed financial assistance while attending school

#### WV Advance Grant

*A rapid-response grant for CTCs to help employers meet an immediate training need*

- Training can include skills upgrades, customized training, or pre-employment training

#### HB 3009 Workforce Development Grant

*A grant program to help CTCs deliver training to business and industry*

- Company cash-match is required
- Business and CTC collaboration in training delivery
